Dear Friends of "Our Troops":

Thank you for the generous \$3,500.00 grant to USO. These funds will be used as designated for (1) refrigerator/freezer for kitchen area, (1) stove/oven, and (2) HP Desktop Flat Screen Computers.

For 72 years, USO has provided continuous service to our courageous men and women who serve in the uniform of our Country. Through major conflicts and years of uneasy peace, USO has been representing "Hometown America" to our troops. This is only possible because of contributions such as yours.

Our USO operations across the State provide centers of hospitality with refreshments from caring volunteers, USO care packages to deploying military personnel, and family events such as Sesame Street Tour for military children.

USO provides tickets to sporting activities and entertainment, support for Wounded Warriors, and of course "Welcome Home and Send Offs" to troops returning home and those deploying overseas.

In addition, together with Hire Heroes USA, USO is helping our military transition into civilian life by hosting career opportunity days at various military installations.

USO operations in Georgia assist over 300,000 individuals annually, many of whom are deploying for combat duty; and troops participating in Operation R&R for rest and recuperation. The items designated will be of great use to our military personnel as they utilize our USO Center.

Thank you for helping USO fulfill our mission of "lifting the spirits of America's troops and their families," until every one comes home.

With appreciation and best wishes from USO, I am,
Sincerely,

Mary Lou Austin
President & CEO

Donation: \$3,500.00, Reference # 1042, Date 01/31/2013
Year to date contributions: \$3,500.00
No goods or services have been provided to the donor in consideration of this gift.

USO Serving Our Military Personnel...Until Every One Comes Home
