Dear Friends:

On behalf of the Bay Pines VA Healthcare System (516) patients and staff, we would like to extend our appreciation to you for your donation of \$37,950.00 for repairs and permitting of old sea wall cap and added a pad for the ADA Kayak launch.

It is through the efforts of community partners like you that allow us to continue the quality care and services that we seek to provide for our deserving Veterans. We look forward to the opportunity to work with you again for future events.

Thank you for your continued support.

Sincerely,

Frank Jones
